Skehana
Providing Top EPM Experts

RELEVANT EXPERIENCE

Skehana Systems LLC - January 2023
Senior EPM Consultant

DOUG BURKE DATA MANAGEMENT
Principal Consultant
2018 - Present

Financial systems implementations and data integrations. Clients included Magic Leap (SAP technology rollout), Sterling (Oracle Essbase OLAP analytics and data integration between NetSuite financials and Oracle Planning) and Sandals Resorts (Oracle financial reporting upgrade).
Oracle EBS, SAP, Microsoft SQL / Excel / Power BI and ETL tools (SQL SSIS and Alteryx).

BLACKLINE
Business Intelligence (Data Integrations)
2020 - 2023

Integrated JIRA and product development life cycle data at SAAS international financial services company. Coordinate BI systems for major product releases, critical database migrations (on-prem to Cloud) and security infrastructure improvements across multiple functions (Cloud, Product, Engineering, Security and Architecture). Ran SCRUM standups, monitored burn down charts, and coordinated retrospectives.

BEACHBODY
Financial Systems Project Lead
2015 - 2018

Cut Finance close-to-report cycle by 50% (from 10 to 5 days) while managing a Finance department business process overhaul (consolidations, budgeting and forecasting) with Oracle Hyperion (OLAP PBCS and HFM) and Power BI. Removed communications roadblocks and eliminated manual steps, resulting in 'one version of the truth'.
Created all data transformations from Oracle EBS to Oracle Analytics.

UDEMY.COM
Trainer and Course Creator @Udemy.com
2016 - Present

Have helped 10,000 students worldwide learn, develop professionally and enrich their business lives as the creator of five Microsoft Power Query and Power BI courses on Udemy.com.
Visit the courses at: Link: https://www.udemy.com/user/doug-burke/

RELEVANT EXPERIENCE

<u>**PREVIOUS:**</u>

- **Beats by Dre / Apple (Financial Systems Architect) - Technical program manager for business intelligence suite implementation (Oracle OLAP). My team reduced financial consolidation time from hours to minutes and designed a "Sales Dashboard" for automated and detailed sales visibility across Finance, Sales and Operations departments.**

- **Paramount Pictures (BI Architect) - Reduced global headcount by $500K yearly through streamlined systems integrations while increasing the effectiveness of budgeting, analysis and financial accounting close processes.**

- **Activision (Analytic Systems Program Manager) - Created a corporate analytics system that drove sales from $400M to $1.6B in three years. Took the company from an unreliable collection of 200 regional spreadsheets to one integrated and reliable global Finance and Sales reporting system.**

- **Dept of Defense (US Naval Officer) - Engineering and Communications officer onboard US Navy ships. Stationed in Southeast Asia and throughout the continental United States.**
